Computed Tomography Candidate Selection Form

Overview

This rubric outlines the criteria and points used to evaluate applicants for Computed Tomography. Applicants are scored on academic performance, readiness indicators, experience, and required milestones. Candidates must meet eligibility thresholds where indicated.

Section 1: English Language Proficiency

If you took the TOEFL prior to 12/31/2025, you may use a legacy scoring system. If you took the TOEFL on or after 1/1/2026, you must use the new scale scoring system.

TOEFL Test (if required)	**Grade Point Value**	**Score** (blank, use to track your score)
Passing Overall Score	• A minimum legacy score of 81 total is required or • A minimum scale score of 4.5 is required	
Minimum Speaking Score	• A minimum legacy score of 24 total is required or • A minimum scale score of 5 is required	

Section 2: Requirements, Points-Bearing Criteria

Applicants are responsible for ensuring that official transcripts from all previously attended institutions are sent to Ozarks Tech Admissions. (Students receive a notification and Delivery ID number from Ozarks Tech when their transcripts are received.) Transcripts must then be verified and fully reviewed prior to the program application deadline. (Verification and review can take 6-8 weeks to complete. After your official transcripts are processed, you'll receive a Transfer Evaluation Report in myOTC.) Failure to meet this requirement by the application deadline may result in ineligibility for program consideration.
