

## Final Exam Schedule

Spring 2026

**May 11-14, 2026**  
16-week seated courses

It is the policy of the Board of Trustees of Ozarks Technical Community College that all courses include a final assessment. Students should read the notes below for classes which meet during non-standard times (e.g. eight-week blocks, one-day only, online classes, etc.) If a student has a special hardship that would cause them to miss a final assessment, the student should contact the instructor to make special arrangements.

The following tables provide the final assessment time based on the beginning time of the course for 16-week seated lecture courses. Unless otherwise indicated by your instructor, the assessment will be held in your regularly scheduled room at the time indicated below. Laboratory portions of class should be conducted prior to the following dates. Make-up assessments are at the discretion of the instructor and conducted by the instructor at a mutually agreeable time and location.
